For encouraging new students to pursue their creative interests, we are introducing a Refer-a-Friend incentive program. By referring a new student to register for a course in our program, both parties may apply a 10% tuition discount to one SPRING 2014 course registration.

One person is required to be a new student to the University of the Arts in order for both students to receive the discount.

To receive this discount, both students must complete this Refer-a-Friend Discount form and submit it along with their registration form (noting the 10% tuition discount there) and submit remaining payment in full.

- Registration and discounts will not be processed until the Refer-a-Friend Discount form has been received by the CE Program for each student.
- This discount can only be redeemed when registration is submitted by mail, fax or in-person.
- Discount applies to tuition only for one Continuing Education (“CE”) course.
- Student is responsible for all fees and remaining tuition associated with the selected course, at the time of registration.
- Discount may not be combined with any other discount; it may not be applied retroactively.
- This discount is not available through online registration.
