We design our **NON-MATRICULATED COURSES** around your needs. Educators call our courses ‘exceptionally practical,’ ‘collaborative’ and ‘inspirational.’

Our **MATRICULATED PROGRAMS**, MEd in Educational Program Design and MEd in Educational Technology, offer small classes and a rich mix of theory and practice, ideal for designing and testing assessment, curricular, and instructional ideas in real time.

Our **CERTIFICATES** in the Arts, Inclusion, Literacy, and Educational Technology enable you to go deeper in your area of interest.

Our faculty bring deep collective **REAL-WORLD EXPERIENCE** and knowledge to the classroom.

Our three-credit graduate courses require outside work and are equivalent to 90 Act 48 hours.

*We offer courses in-person,
hybrid and online.*

GRADUATE DEGREES + CERTIFICATE PROGRAMS FOR EDUCATORS

Our programs provide you with the individual attention and support that are the hallmark of every learning experience at UArts. For more details on program requirements and how to apply visit **CS.UARTS.EDU/MED**

MASTER OF EDUCATION IN EDUCATIONAL PROGRAM DESIGN

The Master of Education degree in Educational Program Design is a 30-credit graduate degree designed to deepen your knowledge of quality education program design. The MEd in Educational Program Design demystifies curriculum, instruction and assessment for educators and provides the tools and skills necessary to create and/or revise existing educational programming to meet the needs of contemporary learners.

MASTER OF EDUCATION IN EDUCATIONAL TECHNOLOGY

The Master of Education degree in Educational Technology is a 30-credit graduate degree designed to deepen your expertise in integrating technology into classroom learning. Through the incorporation of both theoretical and real-world best practices and aligned with standards established by the International Society for Technology in Education (ISTE), the MEd in Educational Technology arms you with a comprehensive understanding of the role of technology in education today.
