We design our **NON-MATRICULATED COURSES** around the unique needs of today's educator. Educators call our courses *'highly practical,' 'collaborative,' 'inspirational'* and *'eye-opening.'*

Our **MATRICULATED PROGRAMS**, MEd in Educational Program Design and MEd in Educational Technology, offer small class size and a rich mix of theory and practice, ideal for designing and testing instructional ideas in real time.

Our **CERTIFICATES** in the Arts, Inclusion and Educational Technology enable you to go deeper in your area of expertise.

Our exceptional faculty bring deep collective **REAL-WORLD EXPERIENCE** to the classroom.

Our three-credit graduate courses are equivalent to 90 Act 48 hours.

*For information on discounts, including PSEA, NAEA, UArts alumni, and Philadelphia School District, visit [CS.UARTS.EDU/PIE/TUITION-FEES](http://CS.UARTS.EDU/PIE/TUITION-FEES)*

## GRADUATE DEGREES + CERTIFICATES FOR EDUCATORS

Our programs provide you with the individual attention and support that are the hallmark of every learning experience at UArts. For more details on program requirements and how to apply, visit [CS.UARTS.EDU/MED](http://CS.UARTS.EDU/MED)

### MASTER OF EDUCATION IN EDUCATIONAL PROGRAM DESIGN

The Master of Education in Educational Program Design is a **30-credit** graduate degree designed to deepen your knowledge of quality educational program design. The MEd in Educational Program Design demystifies curriculum, instruction and assessment for educators, and provides the tools and builds the skills necessary to create and/or revise existing educational programming to meet the needs of today's learner.

### MASTER OF EDUCATION IN EDUCATIONAL TECHNOLOGY

The Master of Education in Educational Technology is a **30-credit** graduate degree designed to deepen your expertise in integrating technology into classroom learning. Blending theory with practice, and aligned with standards established by the International Society for Technology in Education (ISTE), the MEd in Educational Technology arms you with a comprehensive understanding of technology in today's learning environment.
