

PIE + MEd PROGRAMS

Master of Education

Educational Program Design | Educational Technology

For K-12 Educators

The University of the Arts has a long tradition of providing unique programming for educators that is current, practical, and relevant. The MEd and Graduate Certificate programs provide you with the individual attention and support that define the UArts learning experience.

Master's Programs for Educators

The **MEd in Educational Technology** is a 30-credit degree program designed to deepen your expertise in the integration of technology into your classroom. Aligned with International Society for Technological Education (ISTE) standards, the curricula is designed by University faculty who are leaders in the field and have extensive classroom experience.

The **MEd in Educational Program Design** is a 30-credit degree program designed to deepen your expertise in creating and developing diverse learning environments for today's student. This degree is designed for educators looking to continue to integrate the artistic process with their practice as an artist and as an art educator.

Graduate Certificates for Educators

Graduate Certificates in the **Arts**, **Educational Technology**, and **Inclusion** are 15-credit (five course) credentials that enable you to gain the expertise and advance your professional goals in highly tailored ways.

Faculty

PIE + MEd faculty have a wide range of content expertise, K-12 teaching experience, and extensive studio work as professional artists. For faculty profiles, visit cs.uarts.edu/faculty

Why UArts?

- Cohort model
- Two MEd Tracks
 - Accelerated (*complete degree in 2-3 years*)
 - Summer Core (*complete degree in 5 years*)
- Small, interdisciplinary courses
- Hybrid, in-person and online course formats
- Multiple sites across Pennsylvania
- Access to fabulous studio space, UArts-wide events, happenings, speakers + resources
- One-on-One Advising

Why MEd?

- Become part of a network of experienced educators, form bonds and learn from each other
- Experience a practice-centered, evidence-based curriculum
- Advance your professional goals without career interruption
- Design a Capstone Project to address the needs of YOUR classroom, school, or District

Degree Programs + Graduate Certificates
Tuition + Fees for Academic Year 2018-2019:
\$675 per credit/\$2025 - 3 credit course.
Fees vary by course (typically \$50 - \$100)

Course fees vary by class and are applied to specific operational costs incurred in certain classes, studios or labs. Students are responsible for obtaining their own course materials and supplies.

MEd and Graduate certificate students are required to pay tuition and fees in full each semester.

Who Should Apply?

K-12 educators who are currently working in a variety of school settings, including public, independent, parochial, and charter schools.

How to Apply

- Application Form** (available at cs.uarts.edu/MEd) and Fee
- Official transcripts** sent directly from undergraduate/graduate institutions
- Two-page Statement of Academic and Professional Goals**
- 1-2 Letters of Recommendation**
- Current CV or Resume**

Applications are reviewed on a rolling basis with priority given to MEd applicants who submit by March 1st to join the following summer's cohort.
